## TERMS & CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there be no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.
9. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
10. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
11. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States. There are also new and used trailers for sale on the grounds.
12. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and coggins tests the day of the sale. They should be turned in to the office before the sale.
13. REGISTRATION PAPERS WILL BE GIVEN TO THE BUYER AS SOON AS CHECKS HAVE CLEARED. PAPERS WILL BE ISSUED ON CASH, CERTIFIED CHECKS, OR MONEY ORDERS.

# BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

This girl has had 3 nice babies and is a good all around type mare. Breed her or ride her she's sound to go on with. She is currently on a tune up for barrels and arena work after some time off to have a couple babies. She is bred in the purple top and bottom with Marthas Six Moons, Runnaway Winner, and Frenchmans Guy all right on her papers. Her sire Six Moons Guy is a proven barrel horse and proven producer with nice color! She is good for the vet, farrier, no vices. Stalls well and good in the herd. Take Notice! Savvy is a 4 year old Mare ready for the trails or you can finish her out for the show ring. She went thru the Ellsworth College Equine program as a 2 yr old so has a good solid basis. She has had plenty of exposure to multiple environments (Arena riding with other horses, trails with water, logs and hills). She is quiet and fits in with any group of horses. She could be your next all-around. A 14 year old novice rider rode her on the trails when she was a 3 yr old. She is started for Western pleasure and is a quick learner. With Great horses in her pedigree like Potential Investment, Hotrodders Jet Set, Impulsions, Doc Bar, Zippos Mr Good Bar, Tiger Leo, The Investor, there are no holes in her solid breeding! Come meet Savvy.

Ava is a well balanced and put together mare with the most beautiful blue eyes. Her sire speaks for himself. Her dam has multiple ROMs. Ava is double registered with both sets of papers going with her today. Ava was shown as a weanling and yearling to much success. Having won every class that she participated in. This summer a young gal started ground work and saddling her. We just don't have the time to commit to her and she needs to be shown. She is a quick learner, ties, clips, stands great for farrier, up to date on shots and worming. She is N/H with the rest of the panel clear. You will be getting a true sweetheart and we hate to see her go.

A fancy big colt, she was an excellent mom! "Bitsy" is a 4 panel N/N with one copy of the pssm1 gene, no symptoms! Bitsy was also 5th at the 2017 Amateur World Select Show and Res World Champ in Level II. She is my last foal by my stallion and just can't manage to raise the babies any more.

Looking for your next HUS star? This young mare was bred to be an all-around but her athleticism leans to her daddy's side (BMQ Legacy). She's a beautiful mover with a kind eye and she's well-built to boot. Started right as 2 year old through the 4-H training project and competed at the MN State 4-H Horse show in level 4. She was then let to grow up for the next couple years to mature. She has been re-started and going well. She is eager to please. Finish her to be a competitive HUS or all-around, or use her in your breeding program. This mare is bred in the purple with half-siblings having earned numerous world titles. I'm in college and don't have the time to devote to this young mare to do her justice. My loss is your gain.

He has AQHA halter points in Amateur and open halter, qualified for the World show three times. AQHA Region 2 champion in. He had 30 days riding on him as a 2 year old but not ridden since then, he had no buck in him. He has been an amazing stallion with a limited foal crop, already has babies with halter points in AQHA, and buckskin assoc. World and RWC sire in ABRA and IBHA. Sired futurity winners as well. Very easy to handle. He always stamps those pretty heads on them with so much pretty and size on his babies. Sound and no issues with him.

Romeo is the barn favorite and most certainly crowd favorite at every event. Adores people and attention. Romeo has been one of my main men this year for shagging bulls and picking up at rodeos thru out the midwest. Large crowds, fireworks, clown acts, not much fazes him. Has also carried the Ameican flag on him several times. He will do anything you ask of him. He is 100% sound and safe for most anyone who can hold the reins and sit on him. Its hard not to fall in love with this big beautiful guy. He is really one of kind! Be sure to search my FB for pics/vids

This mare shows all the ability to have a long show career and then be a top producer after that. I have had her since she was 2 years old. I have rode her on the Pacific Crest Trail in Cascade National Park. Took her overnight camping at Silver Ridge Campground in Easton Washington and Erlum Washington horse park - rode her down main street in Darnworth, WA. Rode her on the beach in Ocean Shores, WA. Swam in the Sragit river. Hundreds of miles on the trails in the last 3 years. Rides 1 handed in a bridle, snaffle or halter, also rides in indoor and outdoor arenas, thrown a rope off her. Shown her in Ranch riding big enough to pull an ox around. Sweet, personal in your pocket type mare can be stalled or pastured. Rode her many miles by myself. Not an easy decision to sell her she has been my pride and joy for 3 years. I adore this mare and hope she goes to the right home. Took her the Midwest Horseman's show sept 11 she won the Ranch Rail and confirmation. Western Ventures Equine Agency 319-321-2001.

Hes been exposed to alot sorts of crazy things and not much rattles him. I've caught and doctored cattle in the pasture on him. Pretty much used him as a 4 wheeler, turn him on & turn him off and hes there every time. Handy broke and sound. Hes a real eye catcher! Best enjoyed with a crisp cold Saturdays! Bobby Sox Playboy is an AQHA Performance Champion & has AQHA Superiors in Heading, Heeling, and Calf Roping. He earned 754 points in Heading, Heeling, Calf Roping, Working Cow Horse, Reining and Halter. This sweet mare was part of the Texas A&M breeding program. She has the pedigree to excel in all aspects of Ranch and Cow Horse disciplines. This spring, she competed in an All Around Ranch Horse Competition in Gordyville, IL. The competition included Conformation, Ranch Rail, Team Sorting, Breakaway Roping, Timed Trail and Barrels. This willing young mare placed 3rd over all. She showed talent and confidence throughout the competition. She proved her versatility during a week long trip of challenging trail riding in the Black Hills of South Dakota. She experienced riding in various sizes of groups, leading or following, steep rocky hills, water crossings, packing saddle bags and standing tied quietly for breaks. In August, she was shown at the Iowa State Fair in the Junior Cowgirl Queen Contest. She took care of her young rider all while handling large crowds and excited spectators during the event. This mare will crib when stalled during feeding time. She is confident with clippers, likes baths, is great for the farrier and has excellent trailering manners. Her gaits are comfortable and cadenced. She has good body control, side-passes, steps around, big stop, is soft in the bridle and cowy. Her sweet disposition and want to please make her a horse everyone enjoys being around. <https://youtu.be/D9TqonIPfic>

Gigi is a tall, leggy and very fancy all around prospect. She should mature to 16.3-17hh. She has been shown in halter and lunge line this summer and will be ready to continue on to under saddle training. Gigi's maternal brother is a PTHA open and am all around champion with over 1400 points. Her sire is a young sire with his oldest offspring just being 2. He is 6 panel negative, 17hh and homozygous. His colts have been very mellow and easy to get along with, great movers and very correct. He has 4 point earners in halter, lunge line and in hand trail. Gigi has a very floaty trot that should lead her to excel in the HUS classes. Gigi is eligible for the cash for color futurity program held in conjunction with the Color Breed Congress. Princess is a fun-sized horse with a handy way of going. Her jog and lope are smooth and easy to ride. She is fun on trails, is pleasant to be around, kind to other horses and wants to please. On the bottom side of her pedigree she has a NCHA and a NRCHA money earner, Strait To Texas. Strait To Texas is an own son of the legendary Smart Little Lena. This neat little mare definitely has some cow too!

Grace is a four-year-old mare by One N Only. She has been lightly started under saddle and has had lots of groundwork including a good start in Showmanship. This gorgeous mare is very smart and talented with great bloodlines. Her dam, Chocs Debutante, has an Open and Amateur ROM and was a reserve world champion at the NSBA World in Hunter Under Saddle and is a proven producer. This mare could go in several directions. She is selling as broodmare sound but could easily be a walk/trot horse or a stellar showmanship horse with some further training. I raised this special mare but unfortunately due to an injury as a long yearling, she got put on the back burner. Selling just because I am not able to help her reach her full potential.

"Shadow" is a 13 yr old black quarter horse gelding selling as GRADE. I bought him awhile back as a trail/playday horse for people to ride when the came over. We have been so busy and I am pregnant so have not had the ability to ride much. He rides the same every time, even with months off at a time. You can pull him from the pasture and expect the same every time. Knows all of the basics. He leads, all gaits, stopping, backing etc. He waits for your cue to go faster but he likes walking with purpose and will willingly speed up anytime asked. He is not super fancy broke but does great with no bad habits. Stands, ties, trailers great and easy to catch. We did send him off to a trainer for a couple weeks in the beginning of august to get him into shape for the sale and came back a little sore from the hard riding but seems to be coming out of that just fine with no concerns. Just had his teeth floated and dewormed in August and riding great. No buck, rear, bolt, kick or bite!

Wow!!! Paisley has quite the color and is very pretty. She has nice movement that would make her a cool show horse. With more time she's going to be a very fun horse, in which she can go any way you'd like. From the way she floats around the arena to the way she handles the trails. She has an outside bump on her stifle from being kicked, all external and she has had x-rays which shows no changes of now, they were taken a month and a half ago. She has never shown any signs of lameness associated with it.
