## TERMS & CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there be no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.
9. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
10. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
11. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States. There are also new and used trailers for sale on the grounds.
12. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and coggins tests the day of the sale. They should be turned in to the office before the sale.
13. REGISTRATION PAPERS WILL BE GIVEN TO THE BUYER AS SOON AS CHECKS HAVE CLEARED. PAPERS WILL BE ISSUED ON CASH, CERTIFIED CHECKS, OR MONEY ORDERS.

# BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

Here is a wonderful very mellow mare. She had a gorgeous bay toby filly this year, she is in the sale. She is exposed to our stallion again for a early 2020 foal. She can be nominated for the Painted for success futurity for her next years foal. She is guaranteed to have color and pattern foal. This is our first year for our stallions foals - they are just wonderful, natural love for people and very smart foals. This mare can be lightly ridden. she got caught up in a rope around her front leg - just above the hoof, a few years ago. She is not lame on it, until we put a days riding on her. So we have just let her be a broodmare and she is fine. Other wise she could make a great kids horse, for short rides or just to hang out with her. If you want to see her ride. Please inquire.

If you want a really fancy warmblood, here she is. "Myra" is an incredibly floaty mover that is well suited for the equitation, dressage, and jumper classes. She would also make an incredible cross country horse with some training as well. She has been ridden inside the arena and is very brave on trail. I contacted the Oldenburg association in Germany and she is eligible to be registered in their unknown broodmare books if you desired. Myra is a very sweet girl and does not have a mareish attitude. Easy to get along with and will surely be enjoyed by her next owner. Sells 100% sound

Gracie is a 16+ hand 5 year old AQHA HUS/all-around mare who is ready to be finished and start her AQHA show career. She's out of AQHA World Show Superhorse Un Forgettable. The last few years she's been on the back burner due to no fault of her own. Last winter she spent 8 months with a hunter/jumper trainer and she shows great potential. She would also excel in the Hunter Under Saddle, Equitation, and Horsemanship. I've never had any soundness issues with her. This well-built mare can be taken in any direction. She just needs a few months of consistent training and she'll be ready to hit the show pen.

BCM Investin Roanie is a 2008 registered quarter horse gelding. His sire is Allied Investor and his dam is Sheza Roanie Girl. His great grandfather is the The Investor who is a hall of fame stallion and out of his 1,166 foals, 426 earned 22,745 points. Ronan has been shown in local shows around MN and has won me multiple highpoints throughout. He has only been to a few AQHA shows and has competed and placed down at the State 4H show. Ronan is an all around pleasure horse. He has shown showmanship, western pleasure, trail, and hunt seat. He is exceptional in western and hunt seat pleasure, we are usually top in our class. He stands quietly for farrier, grooming and clipping, and loads up easily. Super athletic horse only selling due to me going to college out of state and downsizing on the farm. Ronan is a pretty good pattern horse. Very easy to ride and get along with, suitable for an intermediate youth or amateur rider. This is an all-around show gelding that has proven himself!

Windsor is a 8 yr old 16.3 hand Percheron/ Paint Crossbred gelding. He is broke to ride and drive (single & double). I can honestly say anyone who can get up there can ride an get along well wit him. Windsor has hundreds of trail riding miles. Goes wherever you point him, never refuses. Hes the same horse every time you ride him, whether you ride once a year or once a week. He WILL pull anything your man or woman enough to dally to your horn. I've hauled him last year to 5 IPRA rodeos I picked up at. Hes been picked up on & shagged on 5 times. I've hauled him to 6 rodeos 2019 rodeos this year. He gets better every trip. Windsor is 100% sound in every way. Clean legs. No lumps, bumps or major scars. No health issues. Windsor is a very personable horse. He wants to be your best friend. He wants to please n will give you his all. Pictures and videos can be seen on Facebook via JF Livestock page.

Eye catching, big hearted mare looking for her next rider! I Got Your Back (Rita) 2009 solid bay APHA mare by Invited Back, grandson of Invitation Only, with Scotch Bar Time on bottom side. Primary job has been WSCA performance competition and casual riding. Currently being shown Sr.+ pleasure classes. Has qualified for WSCA Champ Show in 2017, 2018 and 2019. Top 5 SCSCA year end awards for past two years. Outstanding leadline and walk-trot mare. Primarily focusing on WP and HMS but has been ridden HUS and used for SMS. Much success in pattern classes. She is maintained at home by a weekend rider with weekly lessons as allowed by rider's schedule. Lots of potential to do well in ranch riding classes or western dressage. Has been exposed and lightly worked on trail obstacles, cattle, hot heels and mechanical calf/flag. Working on flying lead change. Athletic mare that could make good all-around mount for experienced youth rider. Enough heart to show all day long in pleasure and timed events. Rode by youth on trails and down the road. She has a lot of buttons to give you fancy results. Was professionally trained as a 2-3 year old and has had additional professional training over the last three years after being purchased by current owner. Most recent training has focused on all around pleasure events and versatility which mixes in obstacles, cattle work and western dressage. Accustomed to distractions of farm life and road traffic making her adaptable to many situations. Well behaved for vet, farrier, bathing and clipping.

She loads well, has great ground manners and is easy to catch. Ride her or breed her and raise nice, colored babies. She is a great mama and is easy to handle during and after foaling. How D Town Square, aka Dealer, is a well-balance, quiet-minded yearling colt. He's a very growthy colt that we have not pushed; his brothers and sisters range in size from 15-3 to 16-1 hands. Our experience is that colts that are this dark steel gray hold their color much longer. The "How D" horses may be best known as halter horses; however, Tee Jay Roman finished his AQHA Championship by earning team roping points (25+ points in three weekends). Baron Bell is also on the pedigree of this colt; Baron Bell was a popular sire for the Pitzer Ranch. How D Mae Bee (related on the dam side to Dealer) was the first horse to win both Junior Reining and Senior Reining AQHA World Championships; not sure if any horse has done that again. The "How D" breeding program was established by Howard Dahlof in the 1950's, and my children and I are proud to continue Dad's breeding program.

Color: Paint

Owner: Dale &amp; Nada Carter

This splashy paint mare was injured when she was young so is breeding sound only. She's halter broke and quiet and loves attention; would make a good pasture buddy or companion animal. She's exposed to a black stallion with four white legs so she should have a fancy colored foal in the spring!

He is a solid trail horse and has been to Medora twice and other campgrounds trail riding. He does wonderful climbing hills and crossing water. My teenage daughter rides him. He is a great pleasure/trail horse but I think he could be taken in any direction you want. His temperament is a 4. Blackjack stands 15.3.

MH Four Texas Dasher, "Shirley," is an 8 year old mare standing between 14.1 and 14.2 hh. She comes with great names on her papers including Young Gun (Son of Freckles Playboy) on the top and Texas High Dasher on the bottom. She is built solid and correct, is sound, and continues to be an easy keeper. Will stand tied all day, loads easily, and stands for farrier. This mare is broke to ride, moves nicely off the leg, has a great stop, and is quiet on the ground and under saddle. She was previously briefly exposed to the barrel pattern, but is currently being used for trail and arena riding. With consistency she would easily be able to pick the pattern up again or go in whichever direction of your choosing. With her pedigree and conformation, she would make an excellent addition to a breeding program.

Look at these bloodlines! It's not every day you find a horse with Peppy San Badger, Docs Hickory, Docs Lynx and Doc Olena all on their papers! Don't miss out on this awesome barrel, reining, ranch, all-around prospect. She is gorgeous and athletic. A beautiful mover. She is going to be a real head-turner under saddle! Her dam is the horse I have competed on for years in barrels/poles and we win! Stella is out of our late stud who produced many athletic foals with great minds and willing temperaments. Many are competing and winning in rodeo, little britches rodeo, roping and barrel racing. Her full brother sold for \$11,000 as a reining cow horse. She is going to be a big girl. She already stands 14.3 and I am guessing she will finish out close to 16 hands like her sire. She is halter broke, stands tied and lunges. She is used to being stalled alone and is not buddy sour. She is UTD on vaccinations, deworming and trimming. More info on her sire and dam on our website [www.blazinsaddles.org](http://www.blazinsaddles.org).

## Iowan Russele Sleep Wins 2019 World Auctioneer Championship

While both of our auctioneers here at the Twin Cities Horse Sales Fall Sale are extremely talented, one is getting some extra special attention these days. Russele Sleep of Bedford, Iowa, was named the 2019 World Livestock Auctioneer Champion at the 56th annual competition held at Tulare Sales Yard, Tulare, Calif. and presented by the Livestock Marketing Association..

“It was a dream come true,” Sleep says in a news release from the group. “The auctioneer championship showcases the importance of the local livestock markets and the role the auctioneer plays in true-price discovery, and I’m looking forward to promoting that this year.”

The competition, held on June 8, is composed of two parts: an interview and a live auction. During the live sale, contestants sell eight drafts of livestock to bidders in the seats. Each contestant is scored by five judges on presentation, auction chant, execution of the sale and how likely the judge would be to hire the auctioneer. During the interview round, contestants are asked questions pertaining to the marketing industry and their role as an auctioneer.

Sleep, a nine-time top 10 qualifier of the WLAC and 2016 Reserve Champion Auctioneer, earned his spot to this year’s competition by winning the LMA’s Midwest Qualifying Event.

Chuck Bradley from Rockford, Ala., earned reserve champion honors, and Will Epperly from Dunlap, Iowa, was named runner-up champion.

Sleep, a Missouri Auction School graduate, works as a contract auctioneer for Knoxville Regional Livestock Market, Fort Scott Livestock Market, Inc., Southeast Kansas Stockyards LLC, Clarinda Livestock Auction, Inc., Russell Livestock Market and Green City Livestock Marketing LLC. He lives in Bedford, Iowa with his wife Lacey and three children.

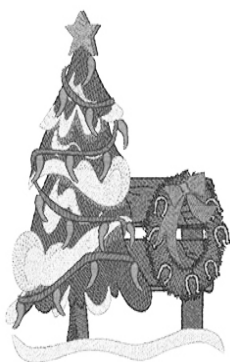

As a part of the champion’s role, Sleep will spend the next year traveling the country to other livestock auction markets.

We here at Twin Cities Horse Sales are excited and honored to have two of the best auctioneers in the business with us for the Fall Appaloosa, Paint & Quarter Horse Sale, and are looking forward to a great sale!
