## TERMS & CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there be no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.
9. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
10. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
11. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States. There are also new and used trailers for sale on the grounds.
12. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and coggins tests the day of the sale. They should be turned in to the office before the sale.
13. REGISTRATION PAPERS WILL BE GIVEN TO THE BUYER AS SOON AS CHECKS HAVE CLEARED. PAPERS WILL BE ISSUED ON CASH, CERTIFIED CHECKS, OR MONEY ORDERS.

# BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

**NO SALES TAX  
on Horses

This is the best behaved stud with the best disposition you could ever ask for. If you have been hesitant to own a stud because they are difficult to handle- no worries here. Broke the very best. Used the last years as a lesson horse for beginning reiners. He has never been bred as I do not raise colts. Never bothered to geld him because he is so nice to be around. If you have a few mares around he could make a tremendous sire. Will get a little soft in front if ridden real hard.

Freckles is a 2006 Sorrel mare, that has been there done that! We have hauled this mare the last 3 years to Little Britches Rodeos and to Jr/Sr High School Rodeos. She has been used in goat tying, breakaway roping, and heeled on in team roping. She has been used to gather cattle and is also great on trail rides. Freckles is a very easy mare to get along with and she has a great temperament.

Jackie is a Gorgeous bay mare that is very broke to ride. She stands just over 15 hands tall and is thick made. She is eligible for all the MN breeders incentives, and on track for the 2020 Spring and summer Futurities. She is by Shawn & Casey Varpness good stud Jack (1D and Pro Rodeo Money Earner) Jackie is very soft in her face and ribcage. She will lope collected circles, has a lot of self carriage and a nice turn around. She is coming along nice on the barrels. Jackie has also tracked cattle and has been trail ridden a lot where she is a pleasure to ride. She has been hauled to barrel races and rodeos to see the sights. She is very laid back to ride but has a lot of feel when you ask her. This is a very nice prospect no matter which direction you choose to take her. Bella has been with our family since she was 2 years old, and has been shown successfully at both AQHA and WSCA shows. This mare is willing to do anything you ask of her. She is a pattern machine, has a lead change on her, and was used this winter as a lesson horse for over fences and really enjoyed it. She is being sold by no fault of her own. Her rider is going off to college next year, and has recently torn her ACL so showing her this summer will no longer be an option. She is 100% sound, been kept up to date on all of her vaccinations, and is a very easy keeper. We will be sad to see her go, but hoping she will bring as much joy to someone as she has brought to us.

## *The Future of Simon Horse Company*

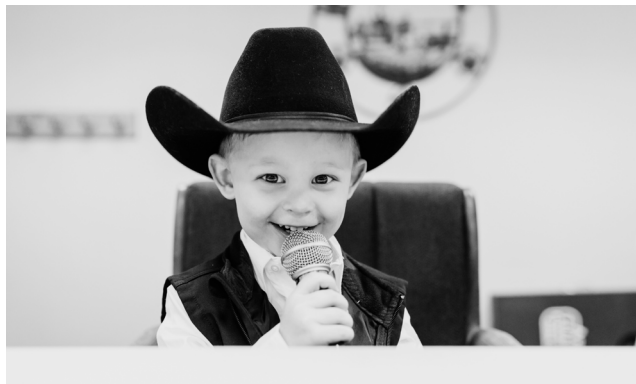

Simon Horse Company was founded in the early 1950's. Brothers Art and Roy Simon had horse sales every Saturday night at their barn in Albert Lea, Mn. After 15 years of weekly Saturday sales, they eventually went on to start having larger Catalog Horse Sales. With their first ever Catalog Sale April 4th, 1964, held at the Minnesota State Fair Grounds in St. Paul. *(Making the April 4th, 2020 sale 56 years of catalog sales for Simon Horse Company!)*

Brothers Art and Roy both had two sons. Art had Tommy and Teddy. And Roy's two sons Jim and Joe both continued in the horse business with their father. After a move to Rosemount, Mn. in 1961, Simon Horse Co. then moved to Cannon Falls, Mn in 1977. Where it is still currently, owned and operated by Jim and son Ryon Simon.

Following the births of two beautiful daughters Teri and Jami, Jim and wife Bonnie then welcomed son Ryon. Ryon grew up to continue in the family horse business with his father Jim, at Simon Horse Company. Along with Simon Horse Company, Jim and Bonnie went on to also establish business, "Arena Trailer Sales", which he successfully runs along with the help of Son in Law Mark. Grand daughters Katie, Kelly and daughter Teri have all had roles in the family business over the years; and granddaughter Jami is still currently working at Arena Trailer Sales. Ryon has RS Saddlery, along with other horse ventures. But Simon Horse Company is where it all started and still remains to this day.

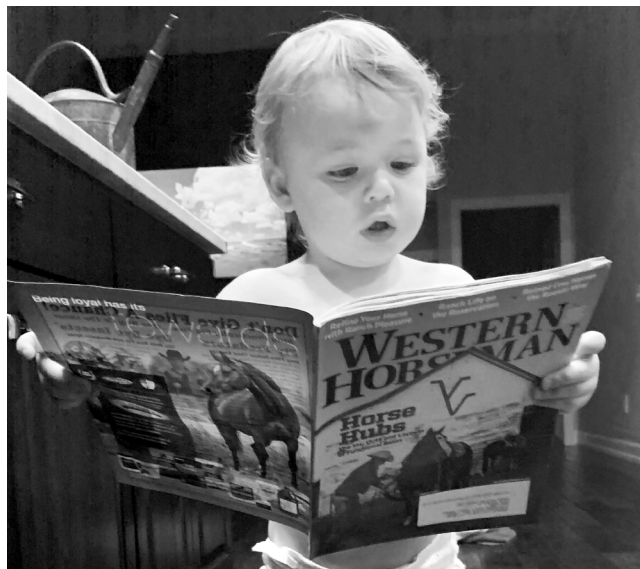

Ryon now has two sons, with wife Rachelle along with big sister Ava. Ryon's boys James and Sam Ryon have already shown a lot of interest in the horses, livestock and the barn. And they sure look up to their Papa Jim and Daddy. The family history, and generations before have made quite a mark in the horse sale industry, leading the path for a bright future and some pretty big boots to fill for these young Simon brothers.

With the generations of great horsemen leading the way, a great staff and busy schedule here at Simon Horse Company, we are as excited for our future as we are proud of our history!

Pictured here (James above; Sam Ryon below) is the youngest generation of Simon Horse Company.

These two young cowboys are fourth generation Horse Swappers. Following in the footsteps of Great Grandfather Roy, Grandfather, (Papa) Jim and father Ryon Simon.
