TERMS & CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there be no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.
9. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
10. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
11. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States. There are also new and used trailers for sale on the grounds.
12. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and coggins tests the day of the sale. They should be turned in to the office before the sale.
13. REGISTRATION PAPERS WILL BE GIVEN TO THE BUYER AS SOON AS CHECKS HAVE CLEARED. PAPERS WILL BE ISSUED ON CASH, CERTIFIED CHECKS, OR MONEY ORDERS.

BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

Simply stunning!! This girl is a 2/3D Barrel horse or a tremendous trail buddy. She will go to the barrel race take a youth or adult to the pay widow, and then go quietly down the trail. This beauty queen has qualified for NBHA (national barrel horse assoc.) World Finals in open, Sr. and youth. She is a free runner, no turning just trail ride and enjoy yourself while legging her up. She crosses water. Goes over bridges, tarps. Loves to swim, traffic safe. Has even been rode with cattle. Loves people, baths, stands for body clipping, farrier and vet. No funny business just a sweetheart. Travels great, lower on pecking order in herd. She's a hard one to let go.

Aurora is a 2015 bay roan welsh pony mare. She walk, trots, and lopes Still a little green but is very safe. I have ridden her through water and over some poles and over a small jump. Her old owners got her for their two daughters who were handling and ridding her. They started not showing any interest in her. So they dropped her off for me to work with and toon up. I hope she goes to an amazing home.

Full double registered AQHA/APHA Grey Overo Stallion. "Slim Shaddy "Ouzo" is a 5 year old stallion that is one of the quietest, most well mannered stallions you will ever encounter. He is easy to handle; sound, has no vices, rides in an arena or goes down the trail and is a pleasure to ride. Wonderfully trained and successfully competing in Western Pleasure, he has a soft, beautiful stride and should also excel at Trail and Western Riding. He is not "stud-y" at all – you can have him stalled at a show and stand a mare in front of his stall and you won't hear a sound. Ouzo was the Tom Powers Color Breed 2 yo Futurity co-Champion; he has points in both AQHA and APHA L1 and Jr. Western Pleasure, and has AQHA stallion halter points. He is actively being shown; he will make an excellent addition to your show barn and, with his bloodlines, talent, beauty and brains – an excellent breeding prospect as well. AQHA 6 Open WP points, 4 Stallion Halter points. "

"Norman" is a been there done that 8yo handsome palomino, grade, Quarter Horse gelding standing 15.1hh with a super sweet personality and kind eye. He is thick made, excellent bone and great hoof with a lot of substance and built to last! Norman has an excellent disposition and will go all day and not break down. He loads, bathes, clips, stands for the farrier and vet and is utd on all vaccinations and deworming. Onto the good stuff: Norman is 100% traffic, UTV/ATV, tractor, dog, drink a beer, and scary black tree stump safe kind of guy. He was used on a ranch in Texas most of his life. Roping a 2,000lb camel is even on his resume. You can rope one in the pasture and step off. He's been backed into the box on the head side and did everything that was asked of him. Norman has been patterned on barrels and ready to go to a local playday or jackpot to get some hauling in. Norman is 100% sound and has never been lame. This tough guy does have some evidence of tough ranch work on his back legs and holds some small scars to prove it. No buck, bite, kick or cribbing. Norman rides out alone or in a group. He crosses creeks, rivers and mud bogs without hesitation and is sure on his feet. He is an all around horse who will help you on the ranch, pack you on a trail ride, or teach your kids how all broke horses should be.

This horse has been in our care since he was a yearling. He has been on the top end of the halter and western pleasure classes, in addition he can long trot and would make a nice hunter under saddle or all around horse. He could also go in the direction of ranch riding or be used for trail riding. We have enjoyed our time with "Jackson", he is truly unique, and he is ready to continue on with a new partner. He is easy to catch, and he loads and unloads from the trailer with ease. He has a beautiful long mane and tail and is ready to go. He is registered both AQHA and in the American Roan Horse Association. He is up to date on vaccinations, deworming and shoeing.

Has a big powerful never ending stride. Doesn't change to or from the farm. No lameness, no illnesses, no special needs, loads, ties, stands for mounting anywhere. He has been camping out west, is not spooky, traffic safe, has great hooves, picks up all around, puts his head down for the bridle, and able to ride double. Does best when lounged before riding, knows voice commands. He gets along with other horses, our dog, the cows. This horse does not do well if you are too aggressive with him.

This is the horse you've been searching for! Affectionately known around the barn as "Frankie." Very sweet. Easy to train. Eager to please. Rides bridleless or in a snaffle. Solid leg cues. Sidepasses, backs, cute turnaround, leg yields, flying lead changes. Has been ridden by kids and adults of all ages at our busy riding school, Enchanted Hollow Stables. Ridden by students in the arenas and out on the trails. Goes over or through everything you point her at. Used in English and Western lessons, including beginner level jumping. Very fancy and can excel in any discipline. Cute and stocky. We've done it all with Frankie - pulled sleds full of kids through the snow, climbed dirt piles, sorted cows, and shot guns off of her. Has been ridden by a rodeo queen for big events and carries a flag no problem. Exposed to guns, tractors, 4-wheelers, skidsteers, tarps, flags, bikes, dogs, cats, chickens, pigs, donkeys, goats, crazy kids, and more!

Casey is a 4yo 15.1hh bay mare. She's a Great Ranch Riding Prospect. I've put 7 months of Reining/Ranch Riding training on her. Just look at her pedigree and watch her ride. This winter I used her as a lesson horse with the youngest being 8 years old. She extremely broke and ready for whatever you want to do with her. Sells 100% sound.

Lola has been left out in the pasture to grow a little. Her first time with a saddle on was as a yearling and she was ponied through a parade and she didn't spook at a thing. My 18 year old daughter has put a total of 6 rides on her and she is very lazy. Lola is the first one to greet you and loves to be in your pocket.

JOJO GRADE QH

Color: Sorrel
Owner: Holly Maday, MN

**Stall

15.2H Well broke, sound, athletic mare. Been trail ridden and camped all over MN and the Black Hills. Loads and travels well. Will stand tied to picket line or trailer. Solid feet, clean legs. Has never needed shoes or been lame in the 7 years we've owned her. She is finished in the game events and qualified for Champ Show many times. Atheletic enough to do about anything and looking for a job. She is not a kid's horse though as she has the "chestnut mare" attitude. When she wants to work for you, she'll put you at the top of the class. When she doesn't, she may just leave you in the arena. She was ridden only a handful of times last year due to the pandemic putting restrictions on our usual summer activities. Our two older kids are in college now and we need to cut back.
