TERMS & CONDITIONS

1. The Sales management acts only as an agent. ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there be no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.
9. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
10. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
11. There will be an insurance agent on the grounds for anyone wishing to obtain insurance on their horses. Transportation will also be available at reasonable rates anywhere in the United States. There are also new and used trailers for sale on the grounds.
12. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and coggins tests the day of the sale. They should be turned in to the office before the sale.
13. REGISTRATION PAPERS WILL BE GIVEN TO THE BUYER AS SOON AS CHECKS HAVE CLEARED. PAPERS WILL BE ISSUED ON CASH, CERTIFIED CHECKS, OR MONEY ORDERS.

BUYER'S RESPONSIBILITY

The Buyer has a responsibility to examine a horse carefully before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

VRen is the son of, proven sire Alive N Firen. He has the potential to take his next rider to the top. Not only do his papers speak for themselves this gorgeous dark palomino gelding is athletic and ready to work. With limited hauling he was pulling checks in the 3/4D. The more hauling and with a competitive rider this horse has 1D potential. Very soft in the mouth and usually runs in a hackamore or snaffle. More of a free runner. Only reason of sale is owner isn't running barrels anymore due to a growing family, and this horse is too nice to sit in a pasture. No vices. Loads, baths, ties, and no alley issues. Currently has front shoes but has ran barefoot. UTD on shots, teeth, and feet. Don't miss out on this guy!

I have done everything with her from AQHA and 4-h shows, where she excels in all the pleasure events, cow and reining events, trail riding, and mounted shooting. She has placed up at the state fair every year she was taken. She has also produced a wonderful colt back in 2015. Anyone can ride this horse. After sitting for the winter, Babe got pulled out to try the 2019 Tri-State horse expo Horseman's challenge and ended up winning it. She is truly one of a kind and will always work very hard for her rider.

Moonshine is a super pretty 11 year old 15.1 hand dappled golden palomino gelding. He is extremely broke and gentle for anyone, he is a finished ranch using horse, that the entire family can use on the ranch for any task. He is very level headed and calm everytime you ride him no matter if it's everyday or once a year. Not spooky goes anywhere asked without hesitation. Good to catch, good to trim and shoe, good with other horses, easy keeper, saddles and bridles good.

Nova is a 10yr old well broke catty sensitive mare. She has been hauled to a handful of places and has loped through the barrel pattern. Her sire Freeway Frank, out of Smart Little Lena x Paleface Playmate out of Freckles Playboy x Doc OLena, earned \$29,000+ in NRHA and NCHA. Her dam MJ Smokey Pine is a granddaughter to Smokey Duster Too who was an AQHA Champion, AQHA Reserve Champion, 100% Foundation, Money Earner reining, and produced multiple world champions. Other offspring from this sire are well known in barrel racing as well. Nova is not registered due to registration application and transfer papers from breeder being lost. This is one of the smartest horses I've ever rode. You can take her on the trails, I've competed her in a couple WSCA game shows, done a lot of roping off of her, also did some goat tying off of her. She is defiantly on her way to being someone's all around horse.
