# Fall Highlights

The changes we have enjoyed in the horse industry the past few years promises to continue. Fall 2015 showcases bloodlines such as Dual Rey, Custom Chrome, Kids Classic Style, Dreamfinder and many more modern day greats.

Tom Scheckel's production sale in October went really well. He consigned 40 outstanding proven halter horses, prospects and broodmares. They were sold all over the country - it was a big draw.

There is a renewed interest in horse ownership, with the shortage of good horses people are willing to drive further and spend more money - the good ones are getting fewer and farther between. Whether folks are looking for their next NRHA champion, western pleasure horse, halter horse or just a good solid minded family horse, the fact is they are looking.

There is more demand for good solid horses. Honest broke ponies have also been a hot commodity last spring. Our high selling pony was \$10,000 and this fall \$5,700. These were ponies the whole family could enjoy and their children were safe!

We at Twin Cities Horse Sales intend to go above and beyond to show them what you, the consignor, have to offer to make 2016 a successful and profitable year - no matter what style of riding the prospective buyers enjoy! All you have to do is consign your horses to a proven market and let us do the rest. As a buyer you can plan on viewing a wide variety of horses and disciplines at our auction in a beautiful heated facility. We look forward to seeing you in 2016!

## Consignor Notes:

To help us market your horses better please take profile pictures from the side (saddled or not saddled) with ears alert, win photo or action photo. We see too many random shots with the horses head in a feeder, legs cut off or ears pinned - it does not help us showcase your horse. With technology advancing every year we encourage you to send us youtube links to put on our website and facebook page. The more we can do to draw attention to our sale and your horses the more profitable experience for you as a consignor. Please contact Jessi if you need help or ideas on how to best market your horse. Videos on sale day need to be on a DVD not CD please.

## News Flash New Buyers & Sellers

First time buyer Joseph Goodenow of Howell, MI purchased several nice horses from our October sale we hope to see him back at Twin Cities Horse Sales in 2016.

Victory Farms of Ada, OK and Owner Danny Ray consigned eight mares sired by the industry's top stallions including Sticks And Stones, Speedy Kirk, And Non Stop Locomotion. Danny brought quality prospects along with beautiful mares bred to Victory Farm Stallions Eddie Stinson (Dash Ta Fame - Sixarun Mare) and Frog Hollow Fire (Firewater Flit - Rare Jet Mare). These mares made for an exciting sale, we hope to see Victory Farms back in 2016.

We are excited to see what Jeff Chaney will consign with us in 2016. In 2015 he consigned five high bred horses with diversified disciplines. Jeff also took home honors of consigning the October Sales High Selling AQHA Stallion Echos Reflection son of 3 million dollar producer Custom Chrome.

## We Build Lasting Relationships!

We bring buyers such as Brian Moore from Jonesville, PA who has been a familiar face here at TCHS since 2005. Over the years Brian has purchased several outstanding horses of all disciplines and we appreciate his support!
